DITCHED BY DODGERS

Although he was released by the Brooklyn Nationals, being considered of but little value to that team, Catcher Tex Erwin, who was to have been signed by Frank Chance for the Yankees, has demanded a figure so large that Chance has called off the deal.

The Peerless Leader had been ordered by President Farrell to sign Erwin, but when Farrell heard the manager's reasons for ending negotiations he backed Chance in his opinion. "Erwin could have been used only as a pinch hitter," says Farrell, "and the salary the catcher asked was too much for such a specialist. Erwin's arm, according to the most authentic reports, is not strong enough for duty at any regular position.

There is a Great Difference in Tobaccos

Tuxedo is the Mildest, Sweetest, Most Pleasant Smoke in the World, Because -

First-No one but the makers of Tuxedo is willing to spend the money necessary to buy the mildest, choicest, most thoroughly aged, selected Burley tobacco.

Second-No one but the makers of Tuxedo knows how to treat this Burley tobacco so that every bit of pleasantness and goodness remains in the tobacco and every bit of unpleasantness and harshness is taken out.

Tuxedo was born in 1904. Its first imitator appeared two years later. Since then a host of imitations have been born, and are clamoring for your patronage.

No imitation is ever as good as the original. No amount of advertising, no amount of bluster and bluff, can ever make an imitation tobacco as good as Tuxedo.

If you are not a pipe smoker, you are denying yourself the greatest smoking pleasure known

to man. One week of Tuxedo will give you more enjoyment than you have ever had-and at the end of the week your nerves will be better and your general health will have improved. Try Tuxedo this week!
